

BELLVILLE ELEMENTARY SCHOOL
VACATION REQUEST ABSENCE FROM SCHOOL

We would like _____ excused from school
(student's first & last name)
from _____ to _____.

We understand that it is difficult at times to take vacations based on the school calendar. However, we do ask that parents avoid vacations during Achievement Testing and other standardized testing periods. We understand that all work must be arranged with the teacher(s). If you request work prior to vacation the work must be turned in immediately upon return.
