

Clear Fork Valley Local Schools iPad Guidelines and Procedures

Using the iPad at School

1. Each iPad is assigned to an individual student. Students should never “swap” or “share” their iPad with another student. iPads should be in a student’s possession, or secured in a classroom, at all times.
2. When not in use, iPads must be secured in the designated place in the classroom. iPads are never to be brought to gym class or lunch.
3. Students may never share their password(s) with another student. Passwords should always be kept confidential.
4. Students are responsible for bringing their iPad fully charged to school each day.
5. iPads are never to be taken outside for recess.
6. Students should not carry the iPad into the restrooms.
7. Students will not have access to download or install any apps to the iPads.

iPad Usage Fee

1. Students who wish to take an iPad home will be required to pay a \$25.00 non-refundable usage fee each semester of each school year.

Using the iPad at Home

1. Parents/Guardians must complete three tasks before their student is permitted to take the iPad home
 - a. Attend Parent Informational Meeting
 - b. Sign the iPad Guidelines and Procedures Contract
 - c. Have all fees paid
2. The student or parent may not make any attempt to add, delete, access, or modify other user accounts on the iPad.
3. If the iPad is lost or stolen, a parent/guardian should immediately report the loss or theft to the Principal’s office. The Clear Fork Valley Local School District is capable of tracking the iPad. In the case of theft, charges will be pressed.
4. If the iPad is damaged or not working properly, it must be turned into the District Technology staff for repair or replacement. Parents/guardians are not authorized to attempt repairs themselves or contract with any other individual or business for repair of the iPad.
5. Students are responsible for recharging the iPad at home on a daily basis.
6. iPads should never be taken into a bathroom.

Using the iPad for Internet and Email

1. Clear Fork Valley Local Schools does not have control over information found on the Internet. While every attempt is made to block access from inappropriate material while the student is at school, the student may be able to access inappropriate material while using their home network. It is the parent's or guardian's responsibility to supervise the information that a student is accessing from the Internet while at home.
2. Students should never share personal information about themselves or others while using the Internet or email. This includes a student's name, age, address, phone number, or school name.
3. Parent/guardians and students are required to read and agree to the Districts Acceptable Usage Policy prior to receiving Internet and email access.
4. Students should be aware that Internet access and email, and other media that are accessed created, or stored on their devices are the sole property of Clear Fork Valley Local School District. The district has the right to review these items for appropriateness and to limit or revoke a student's access to them at any time for any reason. No expectations of privacy in their use of the iPad, including email, stored files or Internet sites visited should be assumed by the student users.
5. The districts designated email can only be used for education purposes for teacher assigned activities.

General Use and Care of the iPad

1. The student may not deface or destroy this property in any way. Do not add stickers, pictures, wording, etc to any part of the iPad. Students are expected to treat the iPad with care. The iPad should be kept clean and free of any marks at all times.
2. Inappropriate use of the iPad may result in the student losing their rights and privilege to use the device.
3. The equipment will be returned when requested by Clear Fork Valley Local Schools, or sooner, if the student withdrawals from school prior to the end of the school year. The withdrawal process will not be complete until the iPad has been returned to the school.
4. When transporting the iPad to and from school, students should always be sure it is in the plastic bag in the backpack.
5. Students are encouraged to help each other learn to operate the iPad. However, such help should be verbal only. Students should only operate the iPad that has been assigned to them.
6. Any inappropriate or careless use of the iPad should be reported to an administrator, teacher or staff member immediately.
7. Students should not use the iPad while walking. iPads should only be used while they are on a flat, stable surface such as a table. iPads can be fragile, and if they are dropped they may break.

8. Students should protect the iPad from extreme heat or cold. iPads should never be left in a vehicle, even if the vehicle is locked.
9. iPads should be protected from weather, water and other liquids, foods, or pets.
10. Students should never eat or drink while using the iPad, or use the iPad near others who are eating or drinking.
11. Heavy objects should never be placed on the iPad. This includes books, musical instruments, sports equipment, etc. In addition, iPads should not be placed under soft items such as pillows, chairs, cushions, blankets or clothing. This will cause the iPad to overheat, which will result in damage.
12. Students should use care when plugging in the power cord.
13. When not in use, the iPad and keyboard should be turned to “off” or in “sleep” mode.

Power Management

1. iPad batteries should last a full day depending on the amount of usage; however, the following settings and procedures will maximize the battery life.
 - a. Batteries must be fully charged at the beginning of each school day. iPads need to be charged every night. An iPad will charge faster when it is turned off.
 - b. Keep the iPad in moderate temperatures. Extreme cold or heat will diminish battery capacity and can damage the device. Never leave the iPad in a car.

Cost of Repairs or Damage to the iPad

1. Parents/guardians/students will be responsible for the entire cost of repairs that are the result of willful damage to the iPad, iPad case/keyboard, power cord and other accessories.
2. In the event the iPad, iPad case/keyboard, power cord and other accessories become lost or stolen, the parent/guardian/student will be responsible for the cost to replace them.

Consequences of Inappropriate Use

1. Use of any district technology is a privilege and not a right. Students are expected to use their assigned iPad in accordance with these Guidelines and Procedures, the District Acceptable Usage Policy and any applicable laws.
2. Failure to use the iPad in an appropriate manner may result in the following consequences, as determined by the staff and administration of the Clear Fork Valley Local Schools:
 - a. Cancellation of student use and/or access privileges, including the privilege of taking the iPad home
 - b. Detention
 - c. Suspension from school
 - d. Expulsion from school
 - e. Civil or criminal liability under applicable laws

Privacy

1. Clear Fork Valley Local Schools retains control, custody and supervision of all iPads, networks, and Internet services owned by Clear Fork Valley Local Schools.
2. Clear Fork Valley Local Schools reserves the right to monitor all activity by students. No expectations of privacy in the use of school devices including pictures, e-mail, stored files or Internet sites visited should be assumed by the student users.
3. All users need to be aware Clear Fork Valley Local Schools has the ability to monitor Internet usage.
4. Using iPads to visit sites that are inappropriate under our Code of Conduct and that do not meet the educational purposes of the program may result in revocation of privileges.

Frequently Asked Questions

1. **What do I do when my iPad needs service?** Bring the iPad to the classroom teacher.
2. **How long will it take to fix my iPad?** Every attempt to troubleshoot and repair the iPad will be made in a timely manner. Some repairs may require sending the iPad to an authorized Apple Repair Center.
3. **If an iPad is sent to an Apple Repair Center, how long will I be without it?** We cannot predict the amount of time a repair will take. A temporary replacement iPad may be used during school.
4. **What if my iPad is lost or stolen?** Report the missing device to your teacher as soon as possible. The district has the capability of tracking the device.
5. **What about Internet usage at home?** Internet and filtering will be provided when the iPad is used on the Clear Fork Valley Local Schools campus. Families are responsible for Internet security at home. The best security is to require the student to use their iPad in a “family” area where parents can monitor what the student is doing. Parents should set limits and enforce them.
